#### PRESIDENT'S MESSAGE

It's April already, and the swap meets have begun. Every once in a while you can come across some good Falcon parts or NOS parts.

I want to thank Russ Hoeksema of Florida and Don Anderson of Georgia for taking the time to go check out some locations for the 1993 Nationals. Our location will be announced just before the Nationals in Milwaukee.

Keep sending pictures, tech tips, and reports of what your Chapters are doing to our editors to help keep our newsletters interesting.

Remember to make your plans early for the Regional and National meets. Take care.--Jim Hatcher, President FCA

## 1992 FCA CONVENTION UPDATE

The months are starting to go by quickly now. It won't be long and the Nationals will be here. If you are coming, and we hope you are, you should be making plans NOW. If you are planning to vacation in the Wisconsin area, besides attending the Nationals, reservations are usually required as tourism is very heavy throughout the state. This will be especially true in the Milwaukee area due to another festival on the same week-end as our convention. Please note that the Grand Hotel will hold the special rates for us two days before and after the convention. Anyone without reservations may find themselves sleeping in their Falcon.

Friday's trip to the museum and domes will enable you to visit two of Milwaukee's many fine attractions.

The Mitchell Park Conservatory also known as the "Domes" consists of three glass domes approximately 150 feet in diameter and seven stories high. One dome is a tropical setting, and the other is a desert. The third dome changes continuously. For our trip we will see a "Mid Summer Night's Dream" with flowers done to a Shakespeare theme.

Milwaukee's museum is noted for its unique "you are there" exhibits of lifestyles around the world, from the Age of Dinosaurs to the Information Age.

We know you will enjoy visiting these attractions as much as we do.

--YOUR 1992 FCA NATIONALS COMMITTEE

## TO ADVERTISE:

FCA members are entitled to 2 free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the classified ads. Commercial ads will be accepted on a space-available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page -- \$50.00. Half page -- \$30.00. Quarter page -- \$20.00. Quarter page photo ad -- \$15.00 for members, \$25.00 for non-members.

All ads should be sent to the editor. Payment must accompany the ad, with checks payable to the Falcon Club of America.

Ads must be received by the first of the month for the next month's issue.

## CHAPTERS

THE GATEWAY CHAPTER met Feb. 23 at Shoneys Restaurant. After lunch the meeting was opened by president Don Cooley. The main business was planning for the October Regional in St. Louis. An All Ford Car Show will be held on Saturday Oct 10th. Falcons will be able to enter both shows. Swap apaces will be available at \$10 ea for a 10 x 10 space. An invitation is extended to all vendors with parts to sell. A silent auction was held during the meeting for items donated by the members with proceeds going to the Chapter.

THE HEART OF TEXAS CHAPTER celebrated its first birthday at its January meeting. Particularly noticeable were the H O T jackets being worn by the Chapter members. At the February meeting, the emphasis was on the technical, with a workshop on body work, including pulling dents, bondo mixing, sanding, painting, and buffing.

THE LONE STAR CHAPTER is working hard on plans for the Regional Meet in June. The February meeting was hosted by Chapter president Mickey Rosewell and Mrs. Rosewell, at their home. There were 28 in attendance.

THE MID AMERICA CHAPTER held its regular meeting on Feb 8 in Olathe, KS, with 34 present and 6 Falcons driven. The Chapter is completing its plans for its All Ford Show and Swap Meet June 7 in Olathe, KS. Planing has begun for a Spring Regional Meet in 1993. The March meeting was held in Olathe on the 6th.

THE NORTHWEST CHAPTER had 22 in attendance at the February meeting. The March meeting was in Woodinville, WA at the home of Charles and Cheryl Johnson. On March 29 the Chapter had a cruise tour which included fields, an antique shop, and windmill. Also there was a picnic and a ferry ride as part of the outing.

## A REMINDER TO THOSE PLACING ADS IN THE BULLETIN

Please remember the FCA policy in regards to ads in the Bulletin:

- All items for sale must have a price
- Only ads for Falcon automobiles for sale will be accepted (no Comets or other makes)
- Please read carefully the boxed info re. "To Advertise" for costs (if any) and other pertinent info

## TECHNICAL HELP WANTED

Folks:

I've thought about auto theft when we park our 64 Futura ragtop, but not seriously until I wound up back at the car with no keys. I was a dozen miles from home and alone.

The doors are never locked since it would be futile on a convertible, especially with loose seals. In my buddy's tool shed I found a screw driver and a length of wire. Attaching the wire to the coil and hitting the solenoid with the screwdriver, I was on my way.

To feel a little more secure, I'd like to have a way to lock down my hood. I wondered if any other club members have any ideas along this or other security avenues.

Thanks.

## AN EDITOR'S WOES

Getting out the News and Views is no picnic.

If we print jokes, people say we are silly;

If we don't we are too serious.

If we stick close to the office, we ought to be around hustling material;

If we go out . . . we should be on the job in the office.

If we don't print contributions, we don't appreciate genius;

If we do, the paper is filled with junk!

If we edit the other fellow's write-up, we're too critical;

If we don't we're asleep.

If we clip items from other papers we are too lazy;

If we don't we're stuck with our own stuff!

Now, likely as not, some guy will say we swiped this from another magazine.\*
